#### **Do You Believe In Angels?**

I think if you ask 100 Catholics about Angels, you will probably get 100 different perspectives, but at the heart of every observation, will be the conviction about the providential goodness of God that relayed to us in many different ways.

The belief in guardian angels is a very ancient belief of Catholics - a conviction that God assigns a very benign spiritual presence to each of us to guide and guard us as a child. I would never go to sleep without praying to my guardian angel.

Can you be this GUARDIAN ANGEL by looking to God's call to be a Religious Education Teacher and teach our young people about their faith? We are in need of teachers for grades 5,6,7.

Retired teachers .... Where are you? Be a great teacher again like Christ our Lord, our greatest teacher.

### Ayúdame y adiós: una práctica tan vieja como el mundo.

Los países católicos, todos sin excepción, tenemos que ver con alguna imagen de la Virgen María.

De estas imágenes de la Virgen que son queridas y veneradas por todo el mundo, necesitamos especificar "ciertos" peligros que de tanto repetirlos se están haciendo muy comunes entre sus devotos.

Estamos falseando lo esencial a su devoción. Es muy peligroso que estemos haciendo turismo religioso y nuestra vida familiar, vecinal y laboral siga de mal en peor. Hasta llevamos la imagen en la cartera, en el coche y la tenemos en el escritorio pero como adorno y nada más.

Se nos ha olvidado que lo esencial de la devoción mariana es reflejar en nuestras vidas las virtudes de María, madre de Dios y madre nuestra. Para ello necesitamos, de manera especial, tocar con mucho cuidado las primeras páginas del evangelista san Lucas. Allí se nos narra el significado exacto de María escogida por Dios para traernos el Salvador de la humanidad
