Policy for Religious Education/Faith Formation

A Parish is a community of faith to which we chose to belong by registering as a member. It is where we come to celebrate Mass, receive sacraments, be formed in faith and share our time, talents, and treasure.

Parents are the first teachers of their children in faith. By their love and care, they image a God who loves them and is always there for them in times of joy as well as sorrow. Our parish religious education/faith formation programs are the Church's way of helping parents in the awesome responsibility of raising their child in the faith in which they were baptized.

We have some expectations about where and how children are enrolled, so we have developed a policy to define what is expected and required in all our parishes.

A. Families must be actively registered in a specific parish community.

B. Children are to be registered in the religious education/faith formation program of the parish in which you are registered. The **only exception** to this rule will be in rare cases of necessity. This exception will only be granted with a written letter from the pastor of the parish in which you are registered.

C. The parish religious education/faith formation program is not just a way to receive sacraments, but an on-going formation in faith for both children and their parents. It is the policy of the Archdiocese of Newark and of this deanery that your child is expected to continue in the faith development process from at least Grades 1 to 8.

D. Children are expected to have sufficient faith formation to be accepted into a sacramental preparation program. Special program participation may be expected for make-up instruction.

The parish that you chose should be the place where you feel most "at home". Participation in a community of faith enables us to grow and be strengthened as both individuals as well as a community.
